All Payments begin in May 2020. Monthly payments end in April 2021. All tuition and fees for the 2020-2021 school year must be paid in full by April 30, 2021. Personal or company checks will not be accepted after April 30, 2021. Payments made after this date must be in the form of cash, cashier's check, or money order. At any time during the school year, if the tuition and fee payment becomes delinquent be more than one month, the student(s) will not be allowed to attend class or to take mid-term or final exams until the payments become current. Additionally, the family will be required to establish a FACTS automatic payment plan. If a student withdraws from school prior to the beginning of the school year, two months of tuition is non-refundable. If a student withdraws from school once classes have begun, tuition up to and including the quarter in which the student withdraws is non-refundable. Prior to the beginning of the school year, if two month's tuition is not paid, the student's registration at SJPII is automatically terminated and this student's position may be relinquished to another student.
