All payments begin in June 2024. Monthly payments end May 30th, 2025. All tuition and fees for the 2024-2025 school year must be paid in full by May 30, 2025. Personal or company checks will not be accepted after May 20, 2025. Payments made after this date must be in the form of cash, cashier's check, or money order. Senior tuition and fees should be paid in full before graduation. At any time during the school year, if the tuition and fee payment becomes delinquent for more than two months, the student(s) will not be allowed to attend class or take mid-term or final exams until the payments become current. Additionally, the family will be required to establish a FACTS automatic payment plan. If a student withdraws once classes have begun, tuition up to and including the quarter in which the student withdraws is non-refundable. Before the beginning of the school year, if two months' tuition is not paid, the student's registration at SJPII is automatically terminated, and their position may be relinquished to another student. *Other charges that may be added to your student's FACTS account include books, uniforms, AP exam fees, other test fees, athletic fees, retreat fees, and graduation fees. (Seniors Only)*
